## 2009-10 Jr Mustang Wrestling

The Marlboro Junior Mustang Wrestling Program continues to be one of the top-rated programs in Central Jersey. The program continues to produce Champions at the League, Regional, State and National Level. Last season, our wrestlers earned 45 individual championships and over 150 medals at various competitions, with many awards being earned by first year wrestlers. We had 15 wrestlers qualify for the State Championships and 10 place in the top 8. We had 2 State Champs, including our own 2x Girl's Champ (yes, girls do wrestle).

Each year the program strives to build upon past successes and this year will be no different. Our program is based on a curriculum designed for private wrestling schools. Our instructor-to-athlete ratio is set-up to ensure that our newer wrestlers are given the opportunity to develop quickly. We are members of the Mid-Jersey League, which has both competitive and developmental teams, ensuring proper competition for all wrestlers. We limit the number of participants to ensure the best learning experience for our wrestlers. Registration Deadline will be set for September 30th, so please register early.

Regular Season:      \$85

October 20th through March  
Practice (Grades 2nd-8<sup>th</sup>)

- Tuesday & Thursday      7pm – 8:30pm
